Space & Naval Warfare Systems Center Awards Contract

CHARLESTON –Trandes Corporation, Lanham, Md., is being awarded a \$10,535,599 Indefinite Quantity, Indefinite Delivery, Time-and-Material type contract to provide services and supplies for depot level maintenance and upgrades by modifications, replacement of electronic module, equipment, and system repairables in support of Navy Inventory Control Point (NAVICP), Space and Naval Warfare Systems Command (SPAWAR), and other Department of Defense (DOD) customers. These services primarily support the Command and Control, Communications, Computers, and Intelligence (C4I) systems and equipment. Work will be performed in Norfolk, VA. This contract contains one base year and four one-year option periods which, if exercised, will bring the total cumulative value of the contract to \$58,452,412 (total dollar amount including options). The maximum period of this contract is September 15, 1997 to September 14, 2002. The contract will initially be obligated with DBOF non-expiring funds in the amount of \$750,000.00. This contract was competitively procured with thirty-nine (39) proposals solicited and five (5) offers received. The Naval Command, Control and Ocean Surveillance Center, In-Service Engineering East Coast Division, Charleston, SC, is the contracting activity (N65236-97-D-6703).
